

NOV Fiber Glass Systems' Global Service Network Program is designed to provide owners and operators of Marine and Offshore ships and facilities with fast-response, comprehensive, professional repair and replacement services for Bondstrand™ piping systems.

Whether you are the operator of FPSOs, FSOs, FSRUs, FLNGs, Floating Platform (drilling and production units), Fixed Platform or the owner of commercial ships, this program will provide you the services you need.

WHAT

A unique Global Service Network Program.

WHEN

Within 48 hours of submitting your request.

WHERE

Around the world and across the globe... no matter where you are, we are there, too. Whether at sea or at port, we meet you when and where you need us most.

WHY

To provide an additional level of excellent service to our clients when needed most.

HOW

By partnering with the best in the industry and provide a fast response within 48hrs.
